Froggies Birthday Parties

Super Centre Parties are a blast!

Making
dreams

One of the most important things for a child's birthday party, for both kids and adults is to keep the children entertained! This is easily achieved at the Sports Super Centre.

To make the whole day special for each child we make sure that no child feels left out when playing games and activities.

Our trained Party Coordinators supervise the event to ensure that the special day runs smoothly and leave the kids wanting more.

The kids will love it!

GIVE YOUR CHILD A PARTY THEY'LL NEVER FORGET!!

WHY FROGGIES?

The parties are fully-catered and fully-supervised, so parents can relax in Revive Cafe, adjacent to Froggies. There they can enjoy a party of their own with friends and other parents, whilst still being able to watch the children at the same time.

A minimum of 10 children is required per party. Bookings should be made at least seven working days prior and are subject to availability.
